Selection

Selection will be based primarily on the student's financial need. Academic standing, extracurricular activities, community service, and other financial assistance the applicant already may have received also will be considered.

All decisions by the Scholarship Committee are final.

Awards

Awards, in varying amounts, to be used as partial tuition at St. Johns River State College and the University of North Florida.

Terms

Scholarship funds will be sent directly to the college chosen by the student and will be deducted from the registration and tuition costs upon enrollment.
